ROCHESTER - NEW YORK

Foreword

Through the centuries, the pattern of life has been symbolized in the beauty of the fine arts. Musicians, artists, dancers, authors, and poets have all attempted to express their feelings about life through their different media. Longfellow, too, was caught by this desire, and in his "Psalm of Life," told of life's pattern.

At John Marshall, a spirit prevails which instills in our hearts and minds the desire to achieve, to work to the best of our abilities. Each student tries to leave behind him the best possible record of his life at John Marshall, remembering Longfellow's words:

"Act,—Act in the living present!
Heart within and God o'erhead!"

We invite you, now, to turn the page, and examine with us this book, the record of our never-to-be-forgotten life at John Marshall High School.

To the Class of 1959:

As Longfellow so aptly set forth in his poem,
A PSALM OF LIFE

"Lives of great men all remind us
We can make our lives sublime
And departing leave behind us
Footprints on the sands of time."

As you have lived your high school days, have you, the Seniors of John Marshall High School, ever paused to reflect how great a debt you owe to the graduates of our school? Those former students strove for scholastic excellence, helped create the spirit of loyalty to our school, and by their thoughts and actions built traditions you now enjoy. The motto of many of them, as they tried to make each day count, must have been "Life is real! Life is earnest!"

Now, as you join the alumni after your graduation in June, you can feel that your obligations have been fulfilled since you have continued and strengthened our traditions, thus enabling those who follow to bring honor and fame to themselves and to John Marshall High School.

Sincerely,
ELMER W. SNYDER, Principal

Classwork

"We can make our lives sublime."

English

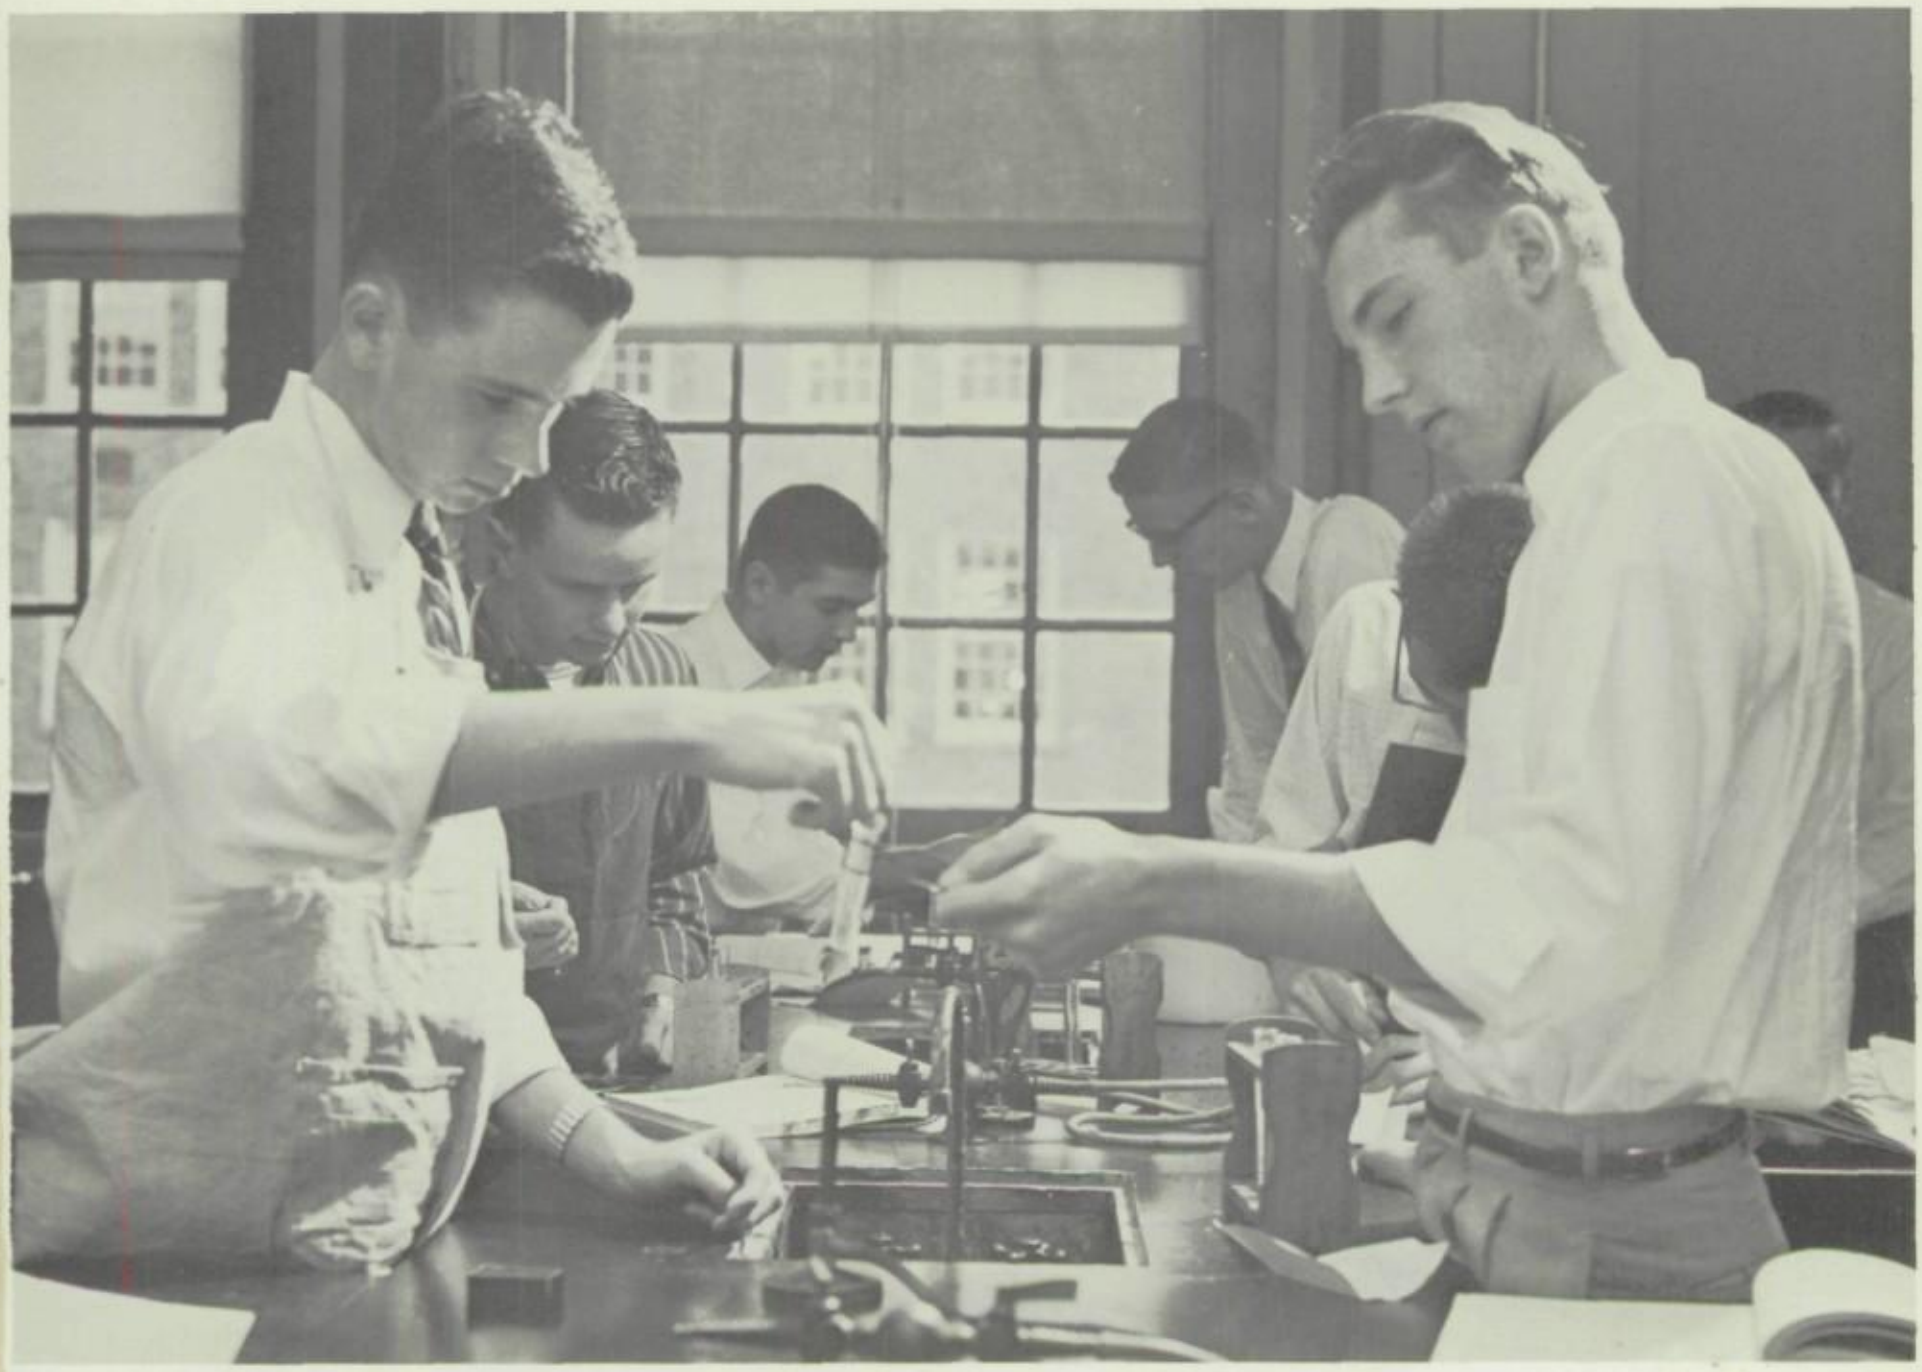
Seated: Lulu Bartholomew, Mrs. Kay Saunders, Mrs. Charney Berger, Toby Susswein, Mrs. Alice Earl, Grace Leader. *Standing:* Mrs. Ann Brown, Mary C. Foley *Head*, Mrs. Jo-Ann Averill, David Wood, Mrs. Mary Murphy, Earl Lammel, Mrs. Jane Jones. *Not in Picture:* Ethel Dunn, Catherine Sheehan.

This year the accent in the English Department has been on communication skills — concentrated listening, effective speaking, and clear concise writing. The classic and contemporary literature of our own country and of the world as presented in our English classes deepened the understanding of individuals and nations.

Social Studies

Seated: Kenneth Fulkerson *Head*, Jane Lynch, Douglas Asquith. *Standing:* Edward Hoffman, Edwin Gordon, Thomas Vetter, Joseph Coccia, Carl Wren, Elton Eike, Trafton Boulls.

Never in the history of mankind have a knowledge of our heritage and an understanding of the duties and responsibilities of both government and citizens been so important. There has been renewed emphasis on the interpretation of today's problems through the class work in government, geography, and historical background.



Science

The emergence of the "Space Age," and the completion of the International Geophysical Year have quickened student interest in science and engineering.

The need of our country for qualified personnel in these fields was pointed up through Science Club programs, visits of scientists and engineers to our ninth grade classes, and trips to industries in our communities.

Seated: Grace O'Reilley, Daniel Houseman *Head*, Mrs. Jean Havill, Mrs. Dorothy Corbett. *Standing:* Daniel Keohane, Allen Tappert, Carleton Thayer, John Dailor, Sebastian Gangi.

Mathematics

Seated: Monroe Lord. *Standing:* Charles Pflaum *Head,* Thomas Byrnes, William Tappert. *Not in Picture:* Borden Booth, Joseph Conroy, Paul Epping, Mrs. Edith Olmstead.

Mathematics has been taught in rigorous manner and in logical order. Regular classes have worked with vim and vigor. Remedial help has been given where needed. For the most capable students there has been advanced study of calculus.

Languages

Seated: Florence Chittenden, Donald Clark *Head,* Agnes Powers. *Standing:* Frank Leach.

With a "shrinking" world, the importance of a foreign language has brought renewed interest in studying a language throughout the entire high school course so that a student may speak fluently and understand other nations.

Business

Seated: Mrs. Leda Costich, Mrs. Helen Meinhardt *Head,* Mrs. Laura Colahan, Helen Lathrop. *Standing:* Yvonne Trabold, Raymond Wright, John Salemme, Mrs. Barbara Gallagher.

This year, as always, the Business Education Department has given our young people the opportunity to prepare themselves for a career in business. Many of our graduates majoring in business will be directly employed; therefore, the training stressed basic knowledge, application, accuracy, and neatness. Many of the college-bound students have taken courses in typing.

Practical Arts

The shops in the Practical Arts Department were busy places all year. Students in woodworking, metals, home economics, artcraft, and drafting were taught the skills necessary for the use of various machines and equipment to prepare them for future work or enjoyment of their own homes.

Seated: Mrs. Dorothy Cox. Ruth Puls. *Standing:* Robert Ley. George Swanson. Royal Hill. John Sullivan.

Seated: George Corwin, Mrs. Laura Remington *Accompanist. Standing:* Mrs. Jane Feuerherm, Mrs. Mary Minasian *Accompanist,* William Decker, Mrs. Ruth Schlenker. *Not in Picture:* Roy Thrall.

Fine Arts

The Fine Arts Department reached a new high this year with the production in December of *Amahl and the Night Visitors*. The Music, Art, and Drama Departments, each contributed its best to a beautiful artistic performance.

The Marshall Singers, a specially talented vocal group and the Wind Instrument Ensemble, a specially talented instrumental group, performed on many occasions both in and out of school.

Physical Education

The Health and Physical Education Department continued its fine work in improving skills in sports and swimming. Whether in classes in hygiene, safety, first aid, or the extensive program in sports, accurate knowledge and good sportsmanship were stressed.

Seated: Louis Spiotti, Barbara Rosenbloom, Mrs. Janet Frank, *Standing:* Armand Bolton, Nicholas Zona *Head,* Mrs. Martha Sutherland, Anthony Gerace, Mary O'Connor, William Bushnell.

OFFICE STAFF — Mrs. Mollie Markus, Mrs. Elizabeth Elmer. *Not in Picture:* Mrs. Florence Cutaker.

LIBRARY STAFF — *Seated:* Ruth Hilfiker *Librarian. Standing:* Mrs. Roma Simpson, Mrs. Mabelle Frank.

Mrs. Short and her staff not only served daily lunch for Marshall's many students but assisted at our various receptions and parties.

The staff of custodians carried on this year under difficult circumstances, the painting of the interior of our school. Their patience and willing service are appreciated by both students and faculty.

Community Service

Marshall was well represented on the Rochester Junior Safety Council this year. Representatives were seniors David Mitchell and Carolyn Kelly and juniors Sandra Mingus and William Stegeman. Through their attendance at meetings and conferences, these students were able to promote successfully safety at Marshall and throughout Rochester.

Junior Red Cross activities are always important in our school year. This year these activities were led by nine students appointed from all grade levels. Serving on the Junior Red Cross Inter-High Council, these students highlighted their work with an enrollment and fund-raising campaign held in March.

This year Marshall's delegates to the Junior Council of the Rochester Association of the United Nations were Elizabeth Tyler and Alan Robinson.

A survey test on the United Nations and a mock Security Council meeting were only two of the many activities in which Marshall was able to participate as a result of the fine work of our delegates.

Alpha and Beta Hi-Y

This school year has been an active and important one for Marshall's Hi-Y clubs. A new Hi-Y, Alpha, was formed, giving more boys the opportunity and privilege of participating in the programs of educational, recreational, and service projects. Mr. E. Hoffman, the club adviser, and the elected officers, Dave Wallace, Bob Goellner, Dick Smith, and Larry Davis, have worked to make this new club a success.

Members of the Beta Hi-Y club painted the lines in the school parking lot, participated in various school and community service projects, and helped in the formation of Alpha. Both clubs worked in presenting a semi-formal dance. They have taken an active part in the Youth in Government assemblies and entered the Hi-Y basketball tournament. The clubs concluded the year with a combined picnic and educational trip to a state park.

Senior Choir

The production of the opera *Amahl and the Night Visitors* by the John Marshall Senior Choir under the direction of Mr. George Corwin highlighted a very active year for this group. In the fall the choir sang for the Rochester Ad Club. The winter was spent in preparing for a busy spring season which included the Spring Concert, the Music Festival at Highland Park and the All-State Music Festival, which was held here at John Marshall. The group will conclude the year by singing at the Graduation Exercises.

Bands and Orchestras

Marshall's Instrumental Music Department, under the direction of Mr. Roy Thrall, included five organizations in the school year 1958-59. The Wind Ensemble, the Blue Band and the Red Band provided Marshall's band music while the Junior and Senior Orchestras supplied the sound of strings.

In December, the Wind Ensemble gave its Winter Concert, which was highlighted when Dr. Howard Hanson conducted the Second Movement of his Nordic Symphony. Later in the year the Wind Ensemble made and sold record albums. The money raised from the sale of tickets and records was used to finance a tour planned by the Wind Ensemble.

The first weekend in May, Marshall's music department played host to the annual spring festival of the New York State Music Association, the first one held in Rochester.

Soccer

Mr. Anthony Gerace again coached the Jurist soccer team to a very successful finish in Interscholastic competition. With a record of six wins and two ties, the booters were declared co-champions of the city league. Sparked onward by co-captains, John Madsen, and Jim Brown, plus able support from veterans, Bill Nesbitt and Ted Kelsey, the team went into the Section V tournament with high spirits. Marshall met a tough Spencerport team, however, and met defeat by a score of 3-0, thus eliminating our team from further sectional competition.

Swimming

The Swim Team brought home the second consecutive league championship this year with a 7-1 league record. The highlights of the season were the very close meet we lost to Franklin and the non-league meet with Charlotte on Marshall Day.

Co-captains Jim Brown and Larry Vroom and veterans Frank Richens, Tom Brown, Dave Crawford, Bill Stegeman, Monty Smith, Chuck Calhoun, Bob Dewey, John Ritchie and Fred Hoyt led the varsity team in the race right down to the wire for league championship. Coach Gerace did a fine job again with both the seasoned finmen and the novices.

Good sportsmanship, team spirit, hard work and a drive to succeed brought top honors to the Jurist Finmen for the second year.

Wrestling

This year's wrestling team consisted almost entirely of new boys. They were able to finish the season with a 2 win — 6 loss record under Coach Spiotti.

The team, aided by varsity performers Cronmiller and Cavallaro, hopes to enjoy a better season next year when six varsity men will return for a new wrestling season.

Baseball

Bob Higham

Through the fine pitching efforts of All-Scholastic Ron Spring, last year's baseball team captured the city and sectional championships. Ron broke the records for the most strike-outs, earned runs, and walks in one season previously held by Bob Keegan and Johnny Antionelli. He also signed a contract to play with the Pittsburgh Pirates, a major league team.

The Marshall team had three tough games which they won last season. Two games were 1-0 victories battled out by the pitchers from Charlotte and Corning Northside against Ron Spring. The other was an eight-inning affair against West, which was won by a home-run in the bottom of the eighth.

With the hard work of all the other boys coached by Bill Bushnell, the team had an undefeated season of twelve wins and no losses. Larry Heffer, Bob Higham, and Al Jardine were also All-Scholastic choices and provided much of the power hitting for the team.

This team has given Marshall the best baseball record ever achieved by any baseball team in the school.

J. V. Baseball Team

The J. V. Baseball Team, which was again coached by Mr. Coccia, had a successful season, posting a record of 4 wins and no losses in the League Record, while losing 1 in playoff competition.

The outstanding players on the J. V. squad this past year were Ron Special, Art Rootes, Tom Williamson, Gary Malak and Jerry Sadler.

Cross-Country Team

Our Cross-Country Team ended a very successful season this year capturing second place in the Interscholastic League and third place in the Section V meet at Hobart College.

Pete Crellin, Bob Tweadey, Ron Lazier, Dick Colt, Jim Culhane and Mike Hanley placed in the winner's circle in almost every meet as the Marshall Harriers sped to victory under Coach Wright. Bob Tweadey took top honors in the Sectionals by coming in second place, defeating all other Interscholastic League competitors.

Track

The 1957 track team, under the coaching of Mr. Davis, compiled a record of 5 wins against 3 losses.

Roger Wilmier, Peter Crellin, John Thorpe and Jim Brown set a new record in the mile relay at an American Legion Invitational Track Meet last season. Other outstanding team members of last year's team were Art DuCharme, Andy Nazzaro, Doug Flagg, Tom Keel, Dick Celt and Ron Lazier. Art DuCharme, Pete Crellin, Jim Brown, Tom Keel, and Roger Wilmier represented Marshall at the Section 5 tournament. Jim Brown was also '880' City Champ.

Bowling

The Jurist Bowling Team placed fifth in the Varsity Bowling League this year with twenty-one wins and eighteen losses against the other eleven teams forming the league. Golf

In 1958, the golf team had a successful season, finishing with an 8-3 record. This was the first year for all the boys on the team. The regular members were Tony Alaimo, Bill Cory, Dick Schmidt, and John Swenholt. The most improved player was Paul Soccia, who acted as a substitute.

D. Schmidt T. Frank, P. Ranke, J. Swenholt, P. Soscia, A. Alaimo.

This, the Marshall Trophy Case, which stands in the main corridor, represents more than two decades of outstanding achievement. Most of the trophies were presented in the field of sports. It is only fitting that we pay tribute to the fine Marshall athletes and to the superb coaching staff who together brought Marshall so many honors.

I have been in your classes again this year. I'm sure you will. Don't forget English class and basketball games. I hope you are in some of my classes next year.

Bob,

I know what other kids say with front of this book are not so. I can't stand you but I love it because I owe you money. I think if you worked harder and smoked fewer "reefers" you could get along with almost anyone. Good luck and even if I do kill him I won't pass
